Who wears them?

They are worn by everybody who wears shoes—by girls and boys, men and women; by those who sit at desks all day; by those who work in the open; by professional men, business men, trade workers, school boys and school girls; by housewives, society women, in short, O'Sullivanized shoes with Heels of New Live Rubber are worn by men and women, boys and girls in every walk of Life.

These little "shock absorbers" give you the buoyant walk that always goes with energy and success in men, and with charm and beauty in women. They save your children's tender feet from breaking down on hard paved playgrounds and city streets. They protect your nervous system from jolts and jars and are a necessary factor in the preservation of your health.

When you buy your new shoes, buy them O'Sullivanized. Up-to-date shoe dealers now sell latest style shoes with O'Sullivan's Heels already attached.

Insist on O'Sullivanized shoes—the new live rubber heels give the greatest wear with the greatest resiliency. In black, white or tan; for men, women and children; 50c attached.
